

DIOCESAN FEES AND LEVIES SCHEDULE

SCHOOL FEES

Why School Fees are necessary?

Federal and State governments acknowledge the right of parents to choose the school which best suits their children's needs for educational, religious, cultural or other reasons.

However, in comparison with funds spent on children in government schools, government funds committed to non-government schools remain limited. Your contribution through school fees is essential to the continued operation of your Catholic school.

Funding Building Costs and School/College Infrastructure:

Families will appreciate that there is a substantial cost to the Diocese in maintaining and developing the existing school buildings. It is necessary to raise capital income to service related debt or to otherwise support capital works. A differential approach is in place to account for capital income as shown below.

Diocesan Primary Schools –Building Levy

Each family will be charged a building levy (Primary) of \$85.00 per term (\$340 per year) per family with normal school fee billings.

As this amount forms a collectable part of school fees no tax deduction is possible.

Diocesan Secondary Colleges – Building Levy

Each family will be charged a building levy of \$118.00 per term (\$472.00 per year) in conjunction with normal school fee billings except where families have children attending Diocesan Catholic primary schools.

As this amount forms a collectable part of school fees no tax deduction is possible.

School-Based Levies:

School-Based Levies are charges for curriculum resources, library books and printing levies. These levies are set by the School Board – to be no greater than 25% of the non-discounted tuition fees per student.

Specific Purpose Charges:

Additional charges may apply for specific purposes e.g. travel and accommodation related to school field trips and camps, excursions and transport to swimming pools etc. As well, some secondary subjects require additional charges for materials used, e.g. home economics, manual arts, etc. These costs are additional to school based levies.

Parents & Friends Levies:

Parents and Friends' in consultation with their school community and Board may introduce a P&F levy in lieu of significant fund raising. Such a levy is voluntary and not included in the 25% as for General Levies.

Technology Levy:

Schools may charge a Technology Capital Levy of \$95.00 per student up to a maximum of \$190.00 per family. This levy would not be included as part of the 25% as in general levies.

In situations where a family has two or more children across Catholic Diocesan Primary and Secondary Schools, the priority for payment of the levy will be given to the Diocesan Primary School. The levy is to be used strictly for technology capital purposes at the school level.

School Fee Assistance:

If you require further assistance, the Diocesan policy states:

“No students should be excluded from a Catholic school because of the inability of their parents to pay the prescribed fee - in whole or in part.”

Total or partial exemption from the payment of fees is available on application to the Principal to ensure that confidentiality is maintained.

For further information: Please do not hesitate to contact your Principal.
